

RPI ART CLUB

Dear Parents and Guardians,

This year we will be offering an after school art program to interested students. You are receiving this permission letter because your child has expressed interest. This program will be offered on Thursdays, after school from 3:00-4:30. To be as inclusive as possible, we will be offering 5 different sessions. 10 to 12 students will be selected for each session. There may be a chance for your child to participate in more than one session, but this will be dependent on the amount of students that sign up and return permission slips.

Please indicate below which sessions your student would like to attend. Please rank their choices below using numbers 1 through 5, 1 being first choice and 5th being their last choice. I will do my best to accommodate first or second choices, but cannot guarantee first choice placement.

_____ Session 1- School Beautification Project- Painting Murals on Bathroom Stalls

_____ Session 2- Holiday Themed Arts and Craft Projects

_____ Session 3- School Beautification Project- Painting Ceiling Tiles and Making Posters for the school

Once groups are set, I will be reaching out to each family to inform you of your student’s placement and specific session information. 😊
